Student Spotlight

Ms. Smith's middle school U.S. History class has been hard at work building a totem pole that tells the story of Dallas, layer by layer. It's a great example of the project-based learning that brings our curriculum to life.

Academic Spotlight

New Campus, New Chapter

This fall marks an exciting new chapter for The Sage School of Dallas as we settle into our new campus and welcome a growing community of learners. We now proudly serve 11 students across grades 6 through 10, each bringing their own curiosity, energy, and personality to our close-knit school.

Our new space gives students room to explore, collaborate, and build relationships. We're thrilled to have two full-time middle school teachers and two full-time high school teachers, along with a part-time PE teacher keeping everyone active and engaged.

UPCOMING EVENTS

- ✱ **MAP Growth Testing**
Friday, Sept 11
Students take part in fall MAP Growth assessments this week.
- ✱ **Admissions Open House**

Thu, Sept 24, 9:00-11:00 AM
A morning to thank the generous donors supporting our school.
- ✱ **Student Holiday**
Friday, Sept 25
No school today — enjoy the long weekend!

Exciting News: 5th Grade!

We're excited to announce that The Sage School of Dallas is officially adding a 5th grade classroom for the 2026-27 school year! If you know a community member with a 5th grader who would thrive here, spread the word. Enrollment is open now — thank you for helping our community grow!

Teacher Feature

Meet Our 2026-27 Faculty!

We're thrilled to announce Anna Smith as our Coordinator of Curriculum and Teacher Excellence for the 2026-27 school year! In addition to her role as a full-time Middle School Teacher, Anna will support our educators through curriculum development and coordinating innovative teaching across classrooms.

Anna brings over a decade of experience supporting neurodiverse students, with an approach rooted in strong family collaboration. Please join us in celebrating Anna as she empowers our students and guides our faculty toward another impactful year!

"Compassionate, dedicated, and a true advocate for personalized learning."

-Anna Smith

Sage Snapshots

Students having a blast in our beautiful new gym.

The domino challenge in action. Teamwork, patience, and a little creativity.

Sage Game Night! A big thank you to the Howard family for hosting.

**Different Thinkers.
Extraordinary Potential.**

Helping twice-exceptional students in grades 6-12 discover their strengths, build confidence, and thrive.

Academic Spotlight

Support That Meets Every Student

At The Sage School of Dallas, we see the whole child. Our student support program helps students strengthen skills, navigate challenges, and grow with confidence through four key lenses: Cognitive, Academic, Parents, and Student, along with Social-Emotional Learning and Executive Function support. Our process follows a simple cycle: Assess, Understand, Support, and Grow.

"We see the whole child and build support systems that help students strengthen skills, navigate challenges, and grow with confidence."

-Dr. Mandi Skerbetz
